

WILSONART® SOLID SURFACE PROGRAM

This collection of Wilsonart® Solid Surface is now available through Hammond Lumber with promotional pricing. Please contact a Hammond Lumber Associate for more information.

Offer valid June 30, 2025, through December 31, 2025.

WHY WILSONART SOLID SURFACE?

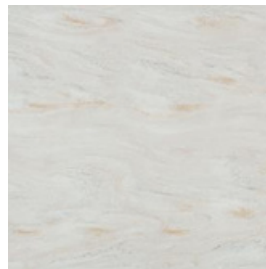

- Non-porous surface material lets you worry less about spills and messes. No sealing required.
- Easily renew and repair scratches, gouges, or cracks.
- Virtually seamless, waterproof designs and no grout lines eliminate growth of odor-causing mold and mildew.
- Locally distributed and readily available.
