Dear Customer,

Thank you for considering Hammond Lumber Company for your building material needs. For your convenience, we would like to offer you a charge account.

Attached to this letter is an application for an Individual account. Please complete this form in its entirety. **A signature is required on page 2 at the bottom in the boxed in area.** This is agreeing to our terms of payment.

The “Monthly Credit Requested” should be based on the nature of your project as well as your ability to pay. For example, \$100.00 - \$500.00 is normally sufficient to take care of minor miscellaneous home repairs. New construction or an addition would require a larger credit limit. It is important that the section regarding the purpose of the account is filled in as accurately as possible. If your construction project is being financed through a construction loan, a home equity loan or other installment loan, Hammond Lumber Company needs to verify the funds as part of the application process.

Please note that this is not a revolving charge account, but is payable in full by the 10th of the month following the date of billing.

The attached Bank Verification Form requires your signature only. This form provides authorization for us to obtain a reference and/or verify funds at your bank or credit union. Failure to sign this form will result in application processing delays.

Thank you for taking the time to read this letter. If you have any questions about the application, please feel free to call us at (207) 495-1195, or stop by the Credit Department at our Belgrade or Ellsworth stores. Once we have completed your application, we will be in contact with you by mail or phone.

Best Regards,
Credit Department
